## THE INFORMATION BELOW IS EXCLUSIVELY FOR THE USE OF PLBC MEMBERS

**PRESIDENT'S CORNER:** The Board met this past week and I want to report on some highlights. We are working on the big task of getting the calendar ready for the upcoming season. It looks like the SAGM will be on Saturday, [April 1](#) with the annual garage sale on Saturday, [April 8](#). There will be further details of course as we get closer to those dates. The Games Committee is busy with deliberations within the club and at the District level to round out our approach to play this year and to round out the calendar. We are signaling to Bowls BC that we would prefer not to host a major championship this year. We have hosted our share of major events over the past 2 to 3 years and many members would like a break from the host role. This approach will also keep our club calendar less cluttered and more open to member play. No doubt we will host major championships in the future, just not likely this year.

A representative of Bowls BC came to a portion of our Board meeting. We discussed ways that Bowls BC can improve and better serve bowling clubs, as well as ways to enhance two way communication. Bowls BC encourages all club members to visit their website at [bowlsbc.com](http://bowlsbc.com). Bowls BC is looking for any members interested in putting their name forward for any of the following positions on their board: President, Vice-President, Treasurer, Director of Operations or Director of Sport Development and Education. If you are interested, consider putting your name forward by the end of February. Bowls BC is also inviting interested players to participate in the provincial indoor championships. Details can be found on their website. As well, Bowls BC is making 25 and 50 year pins available to those who have played that long. While our club is not that old, there may be members who have played elsewhere before joining PLBC. If that is the case, can you please let me know.

Finally, the Board has been reviewing the member survey feedback that we received. It is a long process because there was a lot of feedback. Most of it was highly positive in tone, but even then there are ideas for this and that and we are looking at how to implement what we can. Let me identify one such idea for now. Longer time members will remember the "wrong bias" donation box that we used to have. Well it is coming back, so save your money!!

Cheers to all, Ron

**CLUB KEY FOUND:** One of our club's neighbours found a key in the parking lot and turned it into Martin Fereday when they saw him working at the green. The key was marked LB so he assumed it belonged to our club. Please contact me if you think this is your key. [kcbaker73@shaw.ca](mailto:kcbaker73@shaw.ca) or 250-951-5080 Cheryl Baker, Membership
