

THE INFORMATION BELOW IS EXCLUSIVELY FOR THE USE OF PLBC MEMBERS

Club members, particularly activity coordinators, should note that there will be a change in the way that the clubhouse heat will be controlled. The thermostat that controls the heat in the main area will automatically adjust the temperature to a comfortable level for the period of time during each day that the clubhouse is in use for winter activities (short mat, bridge, etc.). It will automatically cut back to the economy setting for overnight and weekends thus saving on heating costs. When necessary, you will still be able to manually override these settings by using the temperature up and down buttons, or the comfort and economy buttons; but please leave in the Automatic Mode. If you have any concerns, or experience any problems, please don't hesitate to call me (248-5225). **Bob Mascho, Maintenance Director**

St. Patrick's Dinner on Sunday March 16. Doors open at 5:00 pm and dinner at 6:00 pm. Cost will be \$10.00 per person. Tickets will be available at the club house on Tuesdays and Fridays between 3:00 and 4:30 pm, starting Friday February 7th or if you can't make it to the club call me at 248-5627. **Dana Atchison, Social Director**

I am very pleased to announce that Gary Robinson has accepted the position of Head Coach for the club. Gary developed the training model for the club and, with the assistance of our team of qualified coaches, is ready to take our program to new heights. Please join with me in wishing Gary a successful coaching year. **Alan Brunskill, President**

I will be away in February and there will not be any messages on February 10 and the 17. **Cheryl Baker, MMM**
