## THE INFORMATION BELOW IS EXCLUSIVELY FOR THE USE OF PLBC MEMBERS

**PRESIDENT'S CORNER:** The pace at the club is picking up. On Saturday, March 25, our club will be hosting a clinic for new coaches in the district. As well that day, board representatives will be attending the district SAGM at the Qualicum Beach Club. Right around the corner on April 1, we have our own SAGM. The agenda will be out in a few days.

The PLBC board met this past Friday, March 17. The club calendar for the season is close to completion. Members will see it very soon. Preparations are underway for the annual garage sale. This is an important fundraiser for the club, so please consider participating. We have put in an application for club participation at Beachfest and we hope to hear soon if we are successful. This year we will be dressing up the club bowls with some new decals. This time they will come in different colours so it will be easier to identify club bowls for different players in a game. Finally, when the new season starts, there will be a change to the club's stance regarding smoking on the premises. Based on feedback in the member survey and out of concern for the health of all members, the board has decided to remove the smoking picnic table near the draw room. For the coming season, smoking will be allowed but only at a location nearer to the back gate on the west side of the club.

See you at the SAGM, if not before.

Ron Davis, President
