ATTENTION ALL BOWLERS -- UNTIL FURTHER NOTICE:

The edges of the green have been seeded and we need to protect the young grass. Move the green sheet and regular mats past the 2 metre mark to **AT LEAST** the 3 metre mark, further is even better. Please do this during the open houses and the lessons as well. Keep your bowls off the area between the ditch and the 2 meter mark. Try not to deliver the jack or have the head between the 2 metre mark and the ditch. This will ensure the new grass has a chance to take root. **Jack Lawrence, Greenskeeper**

Daytime Draws: The opening draw of the season is Saturday, April 26 at 1:15 pm. NOTE to our newer bowlers, please feel free to drop in for any of the draws. They are all very casual and friendly. To help give the draw master enough time to make up the teams it is important to **arrive at least 15 minutes** before the draw time. Attached for your reference is the schedule for daytime draws. This is also on the club's calendar of events. **Dianne Proctor, Draw Master**

SAGM Minutes are attached for your review. The minutes are not posted on the club's website for privacy reasons. **Don Livingstone, Secretary**

Evening Leagues: As of **Saturday** afternoon there were still openings available in **Tuesday** evening Mixed Pairs, **Wednesday** evening Mixed Pairs and **Thursday** evening Mixed Triples.

Wednesday afternoon Cut throat is full, but you can still sign up as a spare. The sign-up sheets for Mixed Pairs and Mixed

Triples will be taken down at **4 pm, on Thursday April 24th**, so make sure your team entry is on the sheet before then. There are currently 9 people signed up as individuals who want to play Mixed Pairs and 12 people who want to play Mixed Triples. Take a look at the list on the board, make some phone calls, put a team together and get your entries in by **Thursday** afternoon. **Martin Fereday, Games**

Kitchen Volunteers WANTED!!!: We need volunteers to look after tea and coffee for the kick-off tournament on Sunday, May 04. The signup sheet is in the sun room. There is an ongoing need for baking to stock the freezers. Please include the ingredients ie nuts and your name for the baking that you bring. **Dana Atchison, Social**

Kick-Off Tournament Fundraiser: I will be selling Knitted Bowl Bags during the kick off tournament. The cost is \$15 per set. All proceeds from the sale will go to the Club. **Jeannette Ferguson,**

Club Apparel: I have put up signup sheets for white club shirts and/or the white jacket from last year. The green vest from previous years is no longer available but there is a replacement green vest (different styling and cheaper). I found a nice green shirt with white side panels. There is a sample of a ladies' hanging in the draw room the men's version has the usual collar. Specs for all shirts are listed with the signup sheets. Bulletin board space is limited so things are on top of each other. For more information contact, **Sandi Mitchell** satchell_47@hotmail.ca or **250-248-9243**.
