

## THE INFORMATION BELOW IS EXCLUSIVELY FOR THE USE OF PLBC MEMBERS

**Bowling Equipment Movement:** It has been noted that scoreboards, rakes, water stands etc. are being carried over the green. This is unacceptable -- go around the outside of the green, no shortcuts. Thank you, **Jack the Greenskeeper.**

**HELP**, due to unforeseen circumstances, we **urgently** need another person to help mow the greens Wednesday mornings at 8am for approximately 1 hour. No experience or special skills necessary. Please contact me at **250 954 2941** or [debjack@telus.net](mailto:debjack@telus.net) if you can help. **Jack Lawrence, Greenskeeper.**

**Bowls Shed Reminder:** Bowls bags should not just be thrown on the floor in the bowls shed. Small bags go on the shelves. The floor is reserved for large bags that won't fit. Please do not clutter the floor or take up more space than necessary.

**Club Phone Book:** The 2014 phone books are out, one per household, please. Unfortunately, one name was too late to get in the book so please write it in. *Harry Rose 248-6230* If you notice any errors please contact Sandi Mitchell 248-9243 so I can fix the master copy. Thank you, **Sandi Mitchell**

**Mixed Triples Dinner:** There are still tickets for the Mixed Triples dinner on June 1. I will be at the club on Tuesday and Wednesday. afternoons with Wednesday being the deadline to purchase tickets.. As of Sunday afternoon(May 25) there is only one person willing to help between 8:00 and 3:00 to do coffee and goodies on Saturday and Sunday. Come on people this is your club. **Dana Achison, Social.**

**Club Mixed Triples:** We are **urgently** in need of members to sign-up for the mixed triples this weekend. We have almost 20 spots open as of today. The sign-up sheet will come down after Tuesday night's mixed pairs game....thank you....**Ken Bucyk, Games Committee.**

**Review of Player Tags:** Coaches are asked to convene at the club on Tuesday, June 3 at 10 am for the annual review of member ratings. Members can expect that there will be a number of upgrades in order to provide better balance throughout the club. Recent departures will have created some openings for new skips and vices/thirds. Bowlers with improving skills, more experience and good attitude will all be considered for re-assignment. Coaches should already have a pretty good idea about who may be most suitable, but if an individual member wants to ensure that he or she will be considered, please contact me beforehand. Coaches will not unilaterally downgrade anyone, however if age, injury, limited availability or other considerations cause anyone to believe that they may not be suitable as a skip, or a vice, in 2014, and wish to volunteer for re-assignment, I would ask that you also let me know. These ratings are very important to ensuring appropriate placement of bowlers for our draws and even more so for our club tournaments. **Gary Robinson, Head Coach**

**Sea Soil Classic Donation Items:** This special event, Friday June 13 to Sunday June 15, is expected to once again draw a strong field of entries for some great competition and more importantly it will once again be a key fundraiser within the club for local charity, in this case the Oceanside Hospice Society. My canvas of local business is underway and I do anticipate continuing support. But this year is a greater challenge as we try to balance our regular events with the added need to draw upon local business to support the Canadian Mixed Pairs Championship at our club in September. So I am also appealing to our club members to find items or offer services that can be placed into our draws for that weekend. Every dollar collected will go to Hospice. Please let me know if you can help. **Gary Robinson, 250 951 2286**
