

## THE INFORMATION BELOW IS EXCLUSIVELY FOR THE USE OF PLBC MEMBERS

**COACH'S CORNER:** We now have 22 novice bowlers. A big thank you to all of the coaches and coaches assistants who helped with training program this year. It is good to see that a number of these NEW NOVICE BOWLERS are now coming out to the draws on a regular basis. However, We have noticed that a few club members are conducting COACHING Courses with some of these novices and the feedback we are getting is not good. Remember, what works for you may not be the best for another bowler and sometimes, too much information is NOT a good thing, particularly if it is not correct in the first place. Be friendly and helpful but no coaching please. **Pat Kelly, Head Coach**

**SCOTCH PAIRS TOURNAMENT:** Courtenay is urgently in need of 3 teams to fill the Mixed Scotch Pairs tournament this weekend. If you wish to play contact Dean Penny @ redguy@shaw.ca asap. He is also looking for a man to play with one of their club's ladies. **Games committee**

**COMPETING AGAINST OTHER CLUBS!** If you would like to experience bowling at other clubs please consider signing-up for one or two of our games in the 'Monday Night - North Island Zone Inter-club League'. The annual Courtenay/Parksville Challenge is taking place in Courtenay on Thursday, June 9th. This is a one day event and is usually a lot of fun. Everyone plays two games. We need a total of 10 men & 10 ladies. The details and sign-up sheet are posted at the club and there are still some spaces available. **Anne Holland, Games Committee**

**FROM THE SOCIAL DIRECTOR:** The help wanted schedule for the Club Mixed Triples on this coming weekend, June 4th and 5th, will be placed on the board in the sun room this Tuesday. As soon as you know your game times, please sign-up. **Thanks Dana Atchison**

**UMPIRE'S CORNER: Placing the Mat:** At the start of play the player to play first must place the center of the mat on the center of the rink at least 2 metres from the rear ditch. If, before the jack is delivered, a player finds the mat is not centred the player first to play must correctly position the mat.

If, after the jack is delivered but before the first bowl is delivered a player notices the mat is not positioned correctly the opposing player must correctly position the mat and redeliver the jack. (p.21) **Keith Baker, Umpire**
