THE INFORMATION BELOW IS EXCLUSIVELY FOR THE USE OF PLBC MEMBERS

GAMES INFO: Food and Fun Night, on Monday, June 19th will be "Pies and Bowls" with a fun 12 end game of "In the River". The sign-up sheet will be posted on Tuesday prior to the afternoon draw.
Ken Bucyk, your games committee director

INTERCLUB INFO: Courtenay Challenge: The green will not be available for a.m. practice or the 10 end p.m. draw this Thursday (June 8th) because we are hosting Courtenay L.B.C. in the annual 1 day challenge at our club from 10:00 a.m. to 4:00 p.m. Members are welcome to come and support our teams. We ask the participants who have signed up for this event to please check the schedule of events posted on the board to see who you are playing with and the times of each game. We would also like the players to help with the set-up of the greens by 10:15 a.m., before the visitors arrive, and the clean-up afterwards. Your help will be much appreciated.

Evening Inter-Club League: A revised schedule for the Monday Evening League Matches has arrived. Three of the venue/dates were changed. Players who had already signed up for those venues have been informed. There are still vacant spots available on the sheet.

Anne Holland - Interclub Games Co-ordinator.

STANFORD PLACE: As mentioned last week, if you are interested in helping out with the first Stanford visit of the year, it will be held on Tuesday June 6th. Set up is at 9:30am and we pick up residents at 10am. We usually wind up by 11:15am. Please email us if you will be able to volunteer your time.

UMPIRE'S CORNER: Last week's Law 23 on measuring also includes references

to the "30 sec. Rule". This is a simple provision which requires fast action. If a team member responsible for measuring sees that one of his team's bowls has come to rest leaning towards the jack and is likely to fall over naturally, she can ask for the "30 sec Rule" (Laws 23.1 and 23.2) to be applied. This delays measuring for 30 secs. immediately following the moment the final bowl comes to rest. The Law actually requires that the rule be invoked

by the Skip, but as he is down the other end of the rink it is normally accepted that the "Third" can represent the Skip and the application of the Rule is agreed in the head by the two "Thirds".

If the 30 sec Rule is not applied, or if the timed delay has passed, any player may prop or wedge any of his opponent's bowls at any time. Law 23.6.1.

There is then the question of a bowl which falls naturally towards the jack during measuring, long after 30 secs have passed. Law 23.6.3 states that bowls already identified as "counting" and have been removed from the head, will continue to be counted no matter what effect the newly fallen bowl might have had on their relative distance from the jack. Measuring then continues INCLUDING the newly fallen bowl, which may or may not affect the final "count".
