

## THE INFORMATION BELOW IS EXCLUSIVELY FOR THE USE OF PLBC MEMBERS

**STANFORD PLACE:** Our Stanford friends will once again join us on Tuesday morning. Please join me at 9:30! I have heard from a few regular helpers saying that they can't make it this week so I am hoping for some interest from new people. This is a fun and rewarding experience. Just seeing these people having so much fun on our green makes it very worthwhile. Let's all hope the weather improves by then as I will have to cancel if it's raining. Cheers and thanks, **Ben Thomas**

**WANTED! SINGERS** - for a choir to perform at the 2014 Nationals Opening Ceremony on September 7th. No auditions required. We need men and women who just like to sing and can carry a tune. This choir will sing "This Land is Your Land" during the parade of Athletes and Provincial Flags, followed by the National Anthem. In addition, we would like to announce a contest for penning the words to one (or maybe two) verses to the tune of "This Land", with the focus being on Bowling! Don't be shy, (especially you men)! We know there are many singers in the club, as well as poets! A special bonus would be to find someone who can play the keyboard! Our first get together and practice will be held in the clubhouse on **Monday, July 14, at 10:30 am.** Peter & Sandy Taylor 250-248-6009 [pandstaylor@telus.net](mailto:pandstaylor@telus.net)

**Kitchen Help:** Thanks to everyone that helped this past weekend, I think all the people there had a good time. The sign-up sheets for the Club Mixed Pairs are up for next weekend and I know that when you know when you are bowling that you will sign- up to help. I will have tickets for the dinner on Sunday July 13, for sale on Tuesday and Friday afternoons before and after the draws. Also the freezer is need of lots of baking, especially the "sweet" things. Thanks **Dana Atchison, Social**

**Green sweeper:** Thanks to all those who have put their Canadian Tire Dollars in the box for the new sweeper. Please, only "funny money", no real money. We are going to ask the company if they will match our C.T. dollars so the more we have the more likely they will. Thanks everyone. **Jack the Greenskeeper**

**Magazine Article:** The article that I wrote for the **Senior Living Magazine** is now available. Club members can pick up a copy of "Senior Living" magazine for FREE at Save-On, Qualicum Foods, Thrifty's and Quality Foods or read it [online](#). The article focuses on the Nationals coming to Parksville this year. **Carol Bucyk, Public Relations**

**Volunteers Needed:** The board is seeking a volunteer/volunteers, to look after the 50-50 draws at various weekend tournaments. The monies raised are an important element in our finances. It takes about 30 minutes of your time and gives you an opportunity to meet a lot of nice people, as well as assist the club. The job is best suited to a pair of people, so if you are willing & able, talk to a friend and give us a call. Anyone who will be away between now and Pink Day and would like door prize tickets or would like to do their "**annual giving or in memory**" may do so now. Vancouver Island Region Cancer Society Stats for 2013 fiscal year: **Transportation** 350 volunteer drivers transported 946 patients to and from cancer treatments. **Financial Support** 140 patients were helped in the amount of \$91,200 and 100 clients received subsidized symptom management drugs. **Accommodation** 1,177 client stays at convenient, affordable accommodation near cancer treatment center. **Cancer Information Services** served 1,049 clients. **Cancer Connection** Emotional assistance from trained survivors matched with 145 patients. **Camp Goodtimes** 47 Clients, supported with 11 volunteers. **The Shades of Pink** Have your Hair Cut for Cancer!!!! Our member, Brian Michell is a professional barber. He does both men's and ladies' hair. He has kindly offered to cut your hair or do a total head shave at the club on **Pink Day**, August 13th. Cuts will be by donation and all monies raised will go towards Pink Day fund raising. **Debbie Lawrence, Pinkie volunteer.**

**Canada Day/CHAMP Day** Over 90 members celebrated Canada Day at the Club last Tuesday afternoon, 61 of whom bowled. We got within \$7 of last year's total donation to the War Amps Child Amputee Program, with a cheque for \$443 being presented to local CHAMP representative Julian Telfer Wan, who also participated as a bowler. We were one of thirteen Canadian Lawn Bowls Clubs who raised funds for CHAMP in 2013. Thanks to your generosity that tradition continues in 2014. **Martin Fereday, Games**

**Lost and Found:** The lost and found basket is filling up again. Please have a look and see if any of it is yours. I found my shoes in it and I didn't even realize they were "lost". Also, please check the buy and sell board and remove any cross out any sold items. **Cheryl Baker**
