PRESIDENT'S CORNER: The board met on July 4. Here are a couple of items of note.

The board concluded that our club umbrellas are not being used as much as they should be, as they are too often in storage. We should all be mindful of protecting ourselves from the sun on those perfect Parksville sunny days.

Accordingly, we plan to put out the umbrellas and leave them out so they will get more usage. Secondly, the provincial government is planning to modernize the Society Act in November. This Act governs the formation and operation of organizations like our club and many others. We will be given two years to comply with the new Act. Impacts are likely to be small and modest. The board will form a subcommittee to review any implications from the legislative change and will keep members informed through an orderly process. **Ron Davis, President**

INTERCLUB: The district inter-club play is in Parksville this Monday night (July 11). We encourage all bowlers (new and old) to come out to watch. Games start at 6:30 pm. **Anne Holland, Interclub Coordinator**

MIXED PAIRS LEAGUE: A reminder to those you signed up for the mixed pairs league (Tuesday & Wednesday nights) that we begin this week and as well the cut-throat ladder league on Wednesday afternoon continues.

FOOD AND FUN SIGNUP: The sign up sheet is posted for the next Food & Fun night and is filling quickly. It will be Monday, July 18th 5:00 pm; lasagna is the food and 10 ends of "Scotch Pairs" is the fun. In this event, after every two ends the leads and skips will switch positions. This is a great opportunity in a no-pressure game to find out what being a skip is like. So, please sign up and join us on the green. **Ken Bucyk, Games Director**

STANFORD PLACE VOLUNTEERS: It is once again time to get volunteers into action to help out with the Stanford place bowling day. Tuesday, July 19 at 9:30 am. Please contact us so we have an idea of how many helpers are coming out.

SHADES OF PINK, SILENT AUCTION: We have had two original paintings donated by two very talented members of our club. A **Cheetah** by Peter Scott and a **Bird of Paradise** by Fay St. Marie. The paintings will be displayed in the clubhouse until the **Shades of Pink Tournament on August 10** when bidding will close. So if you want one of these wonderful works of art, get your bid in. Watch for more Silent Auction items to be displayed throughout the coming weeks. **Jan MacNaughton/Sandi Mitchell.**

UMPIRE'S CORNER: Marking a Toucher. A toucher must be marked with chalk by a member of the team that delivered the bowl as soon as it comes to rest. If a toucher comes to rest in a position where marking it would be likely to move the bowl it can be nominated as a toucher. If a toucher is in the ditch a colored indicator should be placed on the bank immediately behind the toucher and a circle drawn in the sand around the bowl (p. 31). **Keith Baker, Umpire**
