SWEEPER: After further research and looking again at Canadian Tire's Sweeper, it has been decided that this piece of equipment is not sturdy enough for our green. We are looking into a steel sweeper made in the States that is a comparable price but better made. Thank you everyone for your Canadian Tire Dollar contributions. We have so far collected over \$35.00, looks like thousands if you take a peek in the box. It has been suggested that we keep collecting the \$\$\$\$\$'s and put them to some other use, such as needed items for the kitchen. Appreciate all the support. **Jack the Greenskeeper**

CPR Certification: During the past week, the following 10 members took St. John Ambulance CPR-AED training at the club.
