## **THE INFORMATION BELOW IS EXCLUSIVELY FOR THE USE OF PLBC MEMBERS**

**MONDAY MESSAGES/WEBSITE:** Effective immediately, I am stepping down from the Monday Messages and managing the website. Andy Burton has agreed to take on these duties. You may email content for Monday Messages to Andy at [andyplbc01@shaw.ca](mailto:andyplbc01@shaw.ca). I will continue as the Membership Director for the club. **Cheryl Baker, retired**

If you know of any member who is not receiving the weekly Monday Message email, please have them contact me at the email address above and I will make sure they receive them in the future. **Andy Burton, new kid on the block**

**STANFORD PLACE VOLUNTEERS:** It is once again time to get volunteers into action to help out with the Stanford place bowling day. Tuesday, July 19 at 9:30 am. Please contact us so we have an idea of how many helpers are coming out. **Kathleen and Trevor Motley [Tkmotley@gmail.com](mailto:Tkmotley@gmail.com)**

**MARKERS:** I will be needing Markers for both the Novice singles and the Club Singles in August. I would like to hear from all those who would like to volunteer. Pat Goodwin [patgood@telus.net](mailto:patgood@telus.net)

**BAKING AND KITCHEN HELP:** The Open Men's & Women's Triples Tournament is coming this weekend, July 23rd & 24th. We will be needing a hand in the kitchen and refreshment areas for the two days. Morning coffee and lunch prep is being looked after but it is a very busy tournament and we can use lots of help. I will have work schedules up on Monday and will attend the draws to remind you. Also, baking is always gladly accepted and needed and can be put into the freezers. There are some empty containers in the draw room on a table to be picked up. **Thanks Dana Atchison, Social Director**

**UMPIRE'S CORNER:** **Dead Bowl.** A bowl is a dead bowl if after being delivered it comes to rest less than 14 metres from the mat or if it is not a toucher and comes to rest in the ditch. It is also a dead bowl if it passes outside the side boundaries of the rink 1) on a bias which would prevent it from re-entering the rink of play; or 2) it was moved outside as a result of play. (p.32) **Keith Baker, Umpire**
