**Silver Moss Alert:** After reading up some more on silver moss, it would be good for our bowlers as suggested by Alan, to wash the soles of their shoes with soap and water prior to bowling at our club. Tiny spores can be carried quite easily even on flat bottomed shoes. Nanaimo's greens are infested quite badly with the moss. **Rick Dolley, Greens Crew.**

**Shades of Pink, Marney Rose Bowl:** Team Leaders are: Alan Brunskill, outside decorating and green set up; Dorothy Johnson, inside decorating and set up; Ken Bucyk, lunch for women participants. Please contact them directly if you wish to volunteer as the leaders form the teams. Gentlemen, don't be disappointed if there isn't a job for you, you can still show your support by coming to the club in the afternoon for games and haircuts. The draw signup sheet will be posted **Wednesday AM, July 23**. Please read the instructions carefully. **Miss Pinkie**

I will be at the club Tuesday nights while the Ladies pairs is on, Wednesday mornings, Thursday afternoon, the weekend of July 26 and 27 and all day during the Shades of Pink. If you can't find me, please call and I will get your ticket to you. **Sandi Mitchell**

**Beetle Alert:** As most of you know, we have a Japanese Beetle trap by the back fence. Researchers are trying to find out if there are any of these very destructive bugs on the island. Apparently they love bowling greens and can destroy the grass we lovingly maintain. Should you happen to spot one of these little critters, please try and catch/kill it. Do not throw the body away, it is needed for identification and confirmation of species. A container marked **COFFIN FOR JAPANESE BEETLES** will be in the draw room. If you are not sure what it is, save it anyway. Thanks for your help. **Jack Lawrence, Greenskeeper**

**Greenskeeper Announcement:** I am pleased to announce that, effective October 7., Martin Fereday has agreed to be our new Greenskeeper. Keeping the green in tip top condition is not an easy task and I am sure that Martin will be counting on the continued support of the greens crew. Come on out on Monday mornings if you would like to help. I am very happy that our most important asset will continue to be in good hands. **Alan Brunskill, President**

**Help Needed:** There are still spots open for people to help with the Open Men's and Ladies' Triples next weekend, July 26 & 27. Work sheets for the Club Men's and Ladies' Triples, August 2 & 3, will be going up next week. Tickets for the dinner on Sunday August 2 will also be for sale on Tuesday and Friday before and after the draws. Bar-B-Cue roast beef. **Dana Atchison, Social**
