Their participation is good for the club, and great for the community! **Don McKay, Fundraising**

Help Needed: As always we are looking for lots of help this coming weekend for the Club Triples, especially on Sunday to prep, serve, and clean-up the dinner. I know that once you find out when you are bowling this will be possible. Tickets for the dinner on Sunday will be available at the club on Tues, Thurs., and Friday, before or after the draws or give me a call. Thanks again **Dana**.

The money is used for many club projects and purchases for example, the sand containment bin, the heart defibrillator, the sunroom renovation and the deck extension.
