ONE HIT WONDERS

THE INFORMATION BELOW IS EXCLUSIVELY FOR THE USE OF PLBC MEMBERS

GAMES INFO: The wind-up tournament goes this Saturday. Thank you all you have signed up. To date, 10 members have withdrawn from the tournament and there are 10 people on the waiting list who now will be playing. If you have not signed up, it would be appreciated that you join in this final wrap-up by adding your name to the waiting list as there is still the opportunity for you to play. It is one day and 2 12 end games. It is a blind draw and will be run just like the Tuesday and Friday afternoon draws. Players will be notified by email later this week regarding their playing time.

Ken Bucyk, games committee director and your games committee members

FALL AERATION AND TOPDRESSING (2nd reminder): This annual event is just a week away. Lots of help will be needed on Monday October 2nd. Please mark it in your calendar to come out and help for an hour or two after 9 am and into the afternoon.

We remove $\frac{1}{2}$ inch diameter cores, 3 to 4 inches deep on a 2 inch square grid. That's about half a million cores, but who's counting. We have a machine to do this task in about 2 hours. This is followed by the labour intensive task of scooping up the cores from the green surface and carrying them away in wheelbarrows. We will then load sand from the sand shed into the mechanical spreader for many loads of sand. The final task is working the sand into the core holes and grass surface by

dragging a grille behind the garden tractor in several directions, ad nauseum. We have the mechanical equipment needed and some shovels, snow pushers and wheelbarrows, but will need lots of these last three items and operators to complete the job. So in addition to your own time, the use of your wheelbarrows, shovels and snow pushers will be appreciated.

We do need dry weather to do this, if it's a wet Monday we will reschedule to the next dry day.

Martin Fereday.

SOCIAL COMMITTEE: With the Wind-Up Tournament on Saturday, September 30th, the last volunteer sheet will be going up at the beginning of the week. Please check the board at the front door. Once again, your help will be appreciated. It is a brown bag lunch and the kitchen will be supply coffee, tea & goodies.

Also, the sign-up sheet for the Awards Banquet Pot Luck Supper on Sunday, October 1st. is still up, so please come & enjoy the last meal of our bowling season and cheer on all those who have won awards. **Remember to bring your own plates & cutlery to this dinner.**

There are still 49 precooked hamburgers available for sale at 4 for \$6.00 or \$1.50 per each. The hamburgers are large and since they are precooked, there is little shrinkage. Do not thaw as they are cooked right from frozen. Payment can be made to either myself, Wayne, Bev or Gerda any day this week.

Thank you to all those who volunteered in the kitchen this season,
Linda Kummer (Social Director)

MAJONG: Mahjong starts next **Monday, October 2nd** at 7pm.

Cost is now \$2.00/night.

Bring your set if you have one but don't worry if you do not.

We have redone and hopefully clarified the scoring sheets, so please dump last year's and we will give you new ones for your sets.

Club members and non-club members are welcome. See you there, Jack & Debbie

UMPIRE'S CORNER: No report this week. Enjoy your off season.
