Canadian Mixed Pairs Championships: It is with great pride that I am writing to thank everyone involved with the Canadian Mixed Pairs Championship for a job well done. It would be unfair to try to name individual members as there were over one hundred volunteers involved in the multitude of jobs required to carry out a perfect event. However, Co-Chairs Sandra Mitchell and Clive Arthorne deserve a huge thank you for putting all the teams together and providing their guidance and enthusiastic support to everyone. The following is an excerpt of a report on the Championship posted on the

Bowls Canada website: *"The Medal games were the icing on top of a spectacular Mixed Pairs Championships. the Parksville Lawn Bowling Club was very welcoming as well as the entire community. The excellent planning and execution made it easy for the athletes, umpires and team officials to perform at their best throughout the week".* We have

received many positive comments from all of the competitors, some of which are posted on the club notice board. Thanks again and see you on the green! **Alan Brunskill, President**
