## THE INFORMATION BELOW IS EXCLUSIVELY FOR THE USE OF PLBC MEMBERS

### MESSAGES FROM THE PRESIDENT:

Beachfest: This past Friday, our club received a cheque for \$2,200 from the Beachfest organizers for our efforts in assisting this year's event. This is valuable revenue for the club and for the groups that we help fund. Once again, I want to thank the many club members who worked to make this year's Beachfest the success that it was.

AED: As a point of interest, today we changed the batteries and CPR pads in the club defibrillator. This is a process that takes place about every five years. We have a number of members who are trained in the use of the AED but it is getting to be time to train some new folks in its use. Into the new year, we'll make arrangements for some training for this purpose...

Ron Davis, President
