THE INFORMATION BELOW IS EXCLUSIVELY FOR THE USE OF PLBC MEMBERS

FALL AERATION AND TOPDRESSING (TODAY!): This annual event is today. Lots of people are needed, starting at 9 am, to remove cores from the green and then load and spread sand on the green. Drop by anytime between 9 and 11 and stay as long as you wish. We will core the green rain or shine. Topdressing will be weather dependant and may stretch into the afternoon.

Wheelbarrows will be needed between 9 and 11 o'clock, the club only has two so please bring yours if you have one. Snow pushers and flat edged shovels will also be handy during that time.

Martin Fereday.

JUST A REMINDER: If you go to the club and find a car out front but the gate locked, be sure to look out that there may be someone in the club who may not have a key to get out! Recently, the cleaning lady was there and someone had come in and then left the club and locked the gate behind them, leaving the cleaning lady stranded inside.

This is just a reminder to everyone to make sure you have not locked anyone in when you leave.

WINTER ACTIVITIES: A copy of the Winter Activities schedule is attached to this week's MMM email. We look forward to seeing you at one or more of these fun evenings/days.

UMPIRE'S CORNER: No report this week. Enjoy your off season.
