PRESIDENT'S MESSAGE: As 2017 draws to a close, it's interesting to look back at the year that was and to think about the year to come. For many of us, our club has added to our quality of life by providing an opportunity for staying active, socializing with others and enjoying the game of bowls. A club such as ours runs on volunteer power and we have been blessed with a tremendous number of people willing to make a contribution. Whether you come out to play, take part in social activities or volunteer your time, thanks for being part of the club experience.

Looking forward to the new year I am hopeful and confident that we will continue to maintain and enhance the clubhouse, grounds and green, provide a quality experience for lawn bowlers of all skill levels, provide opportunities for social gatherings, and continue with our tradition of providing a safe, supportive, encouraging and rewarding environment for all.

On a final note, Sunday the 17th of December was a day of partying. Members gathered at the clubhouse from 2-4 pm for a pot luck Christmas event and I think a good time was had by all. I believe there were approximately 75 people in attendance. Our thanks go out to all volunteers who made it happen and in particular to Shelley Hardisty and Joe Coyne for their planning, organization and coordination of this event.

On the 18th of December, a number of us gathered at the clubhouse to deliver food hampers and cheques to the Salvation Army. Thanks to everyone who so

generously donated to this worthy cause. Once again Janys Milne did a wonderful job of coordinating our food drive.

I would like to wish you the best of holidays and may the New Year be good to all of you. Keep in mind that in 4 short months we will be back on the green!

Lloyd Pelton, President

ATTENTION DART PLAYERS: Just a note that there will be NO darts this Wednesday (Dec 27). Next dart night will be Jan 3rd. Until then, keep your points sharp and fly straight! See you there, your dart's night coordinators.
