

THE INFORMATION BELOW IS EXCLUSIVELY FOR THE USE OF PLBC MEMBERS

PRESIDENT'S CORNER: Hi all...we met as a Board this past Wednesday, December 16. I'll give you a few highlights. This section of our MMM's is intended to enhance communication to members. In addition to this, we welcome any suggestions you may have as food for thought for the Board. For now, the easiest way to do that is to email one or all of us. Go to the PLBC website, click on contacts, then click on the Board member name(s) you want to email. Their email address suddenly appears. We are also contemplating an online survey of member opinions and ideas in approximately 2 months. Standby for details.

The Board is also planning to upgrade PLBC's presence in the social media. We are currently developing a facebook page and are investigating the value of using twitter. As a tool, the social media provides an opportunity to enhance our presence and brand in the community, among other clubs and among our own members and potential new members. This initiative will supplement our already strong webpage, which is one of the best around.

A few weeks ago, we received a donation to the club from Marilyn Dingsdale. She has asked that the funds be put towards the kitchen. I thanked her for her generosity. Some of you may remember Marilyn.

We are working on the club schedule for next April already. It's looking like the SAGM will be April 2 and the garage sale April 9. Other events will flow from these events such as the open house, novice lessons, opening draw and kick off tournament...more details obviously in the spring.

And now our thoughts turn to Christmas. All seemed to enjoy our club Christmas party last week. It was nice to see everyone. Yesterday we transported to the Salvation Army food bank the food you donated, two certificates for a turkey and \$110 raised from the sale of baked goods, to add to the \$500 the club donated last month. Thank you to all for your food donations, efforts at fundraising, food transportation and many related activities. The food bank is an important cause and as usual the club came through with a big heart.

I would like to wish you all a most enjoyable Christmas and holiday season.
May 2016 be the best year ever. Ron Davis, President
