PINK DAY: Our club has a growing reputation as a fundraiser and contributor to important community causes. Pink Day, under the leadership of Janys Milne, is one of our signature events that has raised funds for cancer related expenses over a period of years. Janys has indicated that the time has come for her to take a break and pass the torch. We thank Janys for her significant contribution over the years to Pink Day.

The club is now looking for someone who would like to organize Pink Day going forward. The role of Miss Pinky is supported by a team of volunteers and Janys has indicated a willingness to help and assist Miss Pinky 2 in getting up to speed. If you like working with people, believe in the cause and making a contribution to our community then please consider becoming Miss Pinky 2. Please contact Ron Davis at 1rdavis@telus.net if you would like to step into the role...**Ron Davis, VP.**
