MARK YOUR CALENDAR: The club's annual Christmas Party will be held on Saturday, December 12. Dana will be following up with further information as we get a little closer to the event.

PRESIDENT'S CORNER: To enhance communication with members, I am going to provide a small addition to our *Monday Morning Messages* on the Monday following each Board meeting. So you'll see it normally once a month. It will be called *President's Corner* and communicate in summary form some of the things your Board is working on. We had our first meeting as a new Board this past Friday. Dave Cole continues to develop plans for the repurposing of the area where the old green nursery used to be near the older bowl shed. Plans include a pathway, bench and much upgraded flagpole structure. If you want more details, ask Dave. Work will be completed in the spring. We thank Sandi Mitchell for offering to sell club shirts next season and to develop the club phone book. We continue to discuss ways to enhance member ability to input improvement ideas to the the Board and will have more to say on that in about a month...Ron Davis, President
