

THE INFORMATION BELOW IS EXCLUSIVELY FOR THE USE OF PLBC MEMBERS

The green will be closed today, August 3rd until 4 pm for additional maintenance work.

Another request to utilize more of the green to place the mat. The mat is legal anywhere between 2 metres from the ditch up to the first hog line. That is a range of 11.6 metres or 38 feet. The divot evidence and my observations tell me that the mat is very rarely moved up more than 5 metres or 16 feet from the ditch. Be not afraid, use more of the green, it isn't that far to walk back to the bank. **Martin Fereday, Greenskeeper**

Thursday nights are an OPEN draw so you can avoid the heat of the day and enjoy the game. Tags in by 6:15. **Ken Bucyk, Games**

WANTED a few good men to assist in the kitchen as we pamper the ladies on Pink Day. Contact **Ken Bucyk** chilihead9@msn.com if you are willing to help.

Shades of Pink: What is the Shades of Pink all about? For those of you who have just joined the club, the Shades of Pink is a ladies 6 Pack Tournament. Teams of three using only 2 bowls in a six end game compete against each other for the coveted **Marnie Rose Bowl Trophy**. The game is played in a round robin format within two divisions - Red and White (Pink!!). As it is only 6 ends per game, 4 games are played before lunch and 3 after. Sounds a lot, but it isn't. Two teams will win the trophy. Lunch is served to the ladies as they sit and rest from the morning games. While the ladies are playing there can be games being played for the spectators to participate in. After the ladies have partaken of the usual sumptuous meal created by Executive Chef, Ken Bucyk, there will be lunch available, by minimum \$5.00 donation, on a first come basis to spectators. This tournament was conceived by and driven by Janys Milne as a fundraiser for Cancer Patient Care in this community. The money that we make, through the entry fees and the sale of raffle tickets goes towards the driver program and the 'Lodge' in Victoria. To date we have donated \$10,760. All the ladies in the club are encouraged to participate, it is a fun day for everyone involved, and perhaps one of the few times you get to *just* bowl. Get down and sign up, we try accommodate everyone. AND wear pink!!! The more pink, the better. Umpire Corner: Playing out of Turn (law 29.1 p.42). If a player plays out of turn, the opposing skip can stop the bowl and return it to the player to play it in the proper order.

29.1.2 If the bowl has come to rest and has not disturbed the head, the opposing skip must choose whether to: 29.1.2.1 leave the head as it is and have their team play two bowls one after the other to get back to the proper order of play; or 29.1.2.2 return the bowl and get back to the proper order of play.

Playing another player's bowl (law 29.2 p.42) If a player plays another player's bowl instead of their own, the other player's bowl must be replaced with the player's own bowl.
Keith Baker, Umpire

Water Fountain: Do not to wet your cloth in the upper bowl of the new fountain as it is not very hygienic. Use the side tap for that purpose or a bucket of water. Thanks **Dave Cole**
