Stanford Place: Let's try one more time to give the Stanford people a fun time if only the weather will cooperate. Tuesday, September 15 at 9:30 am as usual. The forecast calls for change to wet again that day but let's wait and see. They have been wrong before. Hope to see you all there unless it's raining or too cold.

I will contact those who signed up but are not playing. The draws will be sent out this week with the playing times and teams. 2. There will be NO draws on Thursday night for the remaining two weeks. Umpire Corner: The Laws of the Sport list duties for various players. For example Law 40.1 outlines the **duties of the skip** as follows:

40.1.1 The skip will have sole charge of the team and all players in the team must follow the skip's instructions.

40.1.2 The skip must decide all disputed points with the opposing skip, making sure that any decision reached is in line with the Laws of the Sport of Bowls.

40.1.10 Skips can, at any time, delegate their own powers and any of their own duties (except those described in law 40.1.7) to any other members of the team as long as they tell the opposing skip immediately.

40.1.4 If the umpire considers that a decision reached by the skips is not in line with the Laws of the Sport of Bowls, the umpire must overrule that decision so that it is in line with the laws.
